

IMPORTANT: Health History Procedure Change

Dear Parents,

Continuing this summer, in our endless efforts to provide the best possible care to our campers, Camp Sweyolakan, Camp Aowakiya and Camp Dart-Lo are partnering with CampDoc. ***If the account holder is not the Parent/Guardian of camper, please forward this letter. Health History information must be completed by the parent or guardian.***

Specifically designed for camps, CampDoc is a comprehensive online health management system that improves efficiency and maximizes camper safety. CampDoc consolidates and integrates camper health information into a centralized and secure location. Their systems give doctors and nurses *instant access* to camper health information, a key component in providing quality patient care. Data transmitted through CampDoc is secured and encrypted using industry-standard SSL.

Only the camp's healthcare staff, professional health care providers and camp administrators will have access to camper medical information and the security, confidentiality and privacy of your child's health information will always be protected. There will be occasions when it will be necessary to share this information with the camper's counselor, food service and possibly an activity provider to ensure your child's health and safety is maintained while at camp.

You will receive an email from CampDoc with a secure and unique username for each camper you have registered. You will also receive instructions on how to access the CampDoc system and complete your child's health and medication information.

You may complete the Health History as soon as you receive the instructions, but no later than 2 weeks prior to your camper's session. **Please set register@campdoc.com as a 'safe sender,' to avoid accidental delivery to junk and spam folders.**

We are excited to continually evolve – building safer, more productive and more efficient systems to create the best experience for you and your family.

We can't wait to see you this summer,

Erica Nolte
Camp Sweyolakan Director

Jon Campbell
Camp Aowakiya Director
