

Dear Friends of Camp Fire,

As the year is coming to an end, we want to say thank you for all your generosity. With your help, we have been able to support youth development in our region. This year, we celebrated Camp Sweyolakan as it turned 100 years old, partnered with many local organizations to support our youth, held a record-breaking Share Our Dream, supported more youth than ever, expanded our programming and camp efforts, worked to ensure inclusivity for all, and much more.

Our mission is to provide the opportunity for youth to find their spark, lift their voice, and discover who they are. We believe that financial situations should not limit youth's ability to learn, grow, and find their spark. With your help, we have expanded our programming and offered more camperships to underserved youth than ever before.

Although we have had a very successful year, we are in dire need of upgrades to our camps, forest management, the Sweyolakan water project, program support, volunteers, and equipment. Rising costs have made it harder for us to make these essential and pivotal upgrades to our facilities and programs while our community grows and leans on us for support. Our list of needs continues to grow, and with your help, we can make these improvements and impact our community in a lasting way.

We have been successful because of you. With the new year coming, we see our clubs, candy sales, camps, youth development, and thrive {ology} programming approach. With sensational support in 2022, we ask you to further this support before the year ends. We encourage you to see how you can help our mission and the youth of our community. Please view our ways to donate page on the Camp Fire website at [www.campfireinc.org/ways-to-donate/](http://www.campfireinc.org/ways-to-donate/). Your generosity is needed to kick off the new year with critical funds for these programs.

By making a tax-deductible donation today, you will support our youth; They need our help now more than ever.

Please join us and make an end-of-year gift by visiting our online donation form, sending a check, or stopping by our office at 409 North Argonne Road, Suite B. Spokane Valley, WA 99212.

Thank you for your continued support. Every effort you make is seen, felt, and appreciated by those who step foot at our breathtaking Camps. You are making a difference, and we are forever grateful.

Best Wishes,

Pamela Norr  
Executive Director

Connor Christie  
Director of Fund Development
